OFFICE OF THE INSPECTOR GENERAL OF POLICE, RAJASTHAN, (CRIME BRANCH)
J A I P U R .

No. CS/AS/1/27(11) /94/13304/34/C3. Dated September 10, 1954

C I R C U L A R . No. 109 ✓

An instance has been brought to my notice in which a Radio-Gram has been sent by an S.P. to the Chief Secretary communicating him about a highway dacoity which was committed in his distt. but no copy of this message was endorsed x either to the Home Deptt. of Govt. or to the P.H.Q.

The procedure for sending special reports has been very clearly discussed in this office circular No. 119 of 1953 dated the 30th December , 1953

It has again been repeated in this office No. 8091/8116/CB/GS, /GS, dated the 24th June, 1954 that when-ever a special report case occurs in any distt. in which special report is required to be sent to the Govt. such report should be sent to the Chief Minister with copy endorsed to the Home Deptt. and P.H.Q. In all these cases only initial report would be sent by the s SP direct to the Govt. add all progress and continuation reports will be sent to the P.H.Q. (C.I.D.) by the Ss.P.

It should always be borne in mind that channel of communications to the Govt. for the police is the Home-Deptt. and as such all reports intended for the Govt. should be addressed to the Home Secy. and in cases in which reports are to be sent to the Chief Minister a copy of the same should invariably be endorsed to the Home Department.

Govt. has also invited attention to the belated reports received from Ss.P. It is high time that officers realise their responsibility and act according to the instructions. Any failure on their part w will hereafter be reported to the Govt.
